

Typical application scheme of AC and DC EV charger

JIANGSU SFERE ELECTRIC CO.,LTD.

High-accuracy electrical variables measurement
Energy metering

Communication protocol:
Modbus-RTU
DL/T645

Protection grade:
IP54

Operating temperature range:
-40°C~+70°C

CE Certification
MID Certification
PA Certification
RoHS Certification

Executive standards:
JJG1148
GB/T28569

Single-phase DDS1946-2M

Three-phase DTS1946-4M-01
